

Role of the new Deputy Chief Psychiatrist - Children and Youth

Dr Alessandra Radovini

Dr Radovini is Director of Mindful – Centre for Training and Research in Developmental Health, The University of Melbourne. She was recently also appointed to the position of Deputy Chief Psychiatrist – Children and Youth.

Dr Radovini has worked in psychiatry for over twenty years in adult, child, adolescent and youth services in metropolitan and rural areas. She was previously Director of Bendigo CAMHS (2000-7) and since 2000 has been a consultant psychiatrist with IMYOS (Intensive Mobile Youth Outreach Service) at Orygen Youth Health. She has been Director of Mindful since 2007, a role which incorporates the position of Director of Advanced Training in Child, Adolescent & Youth Psychiatry under the auspices of both University of Melbourne and Monash University.

Dr Radovini's talk will provide some information about the role of the Chief Psychiatrist of Victoria in general and as it applies to her position as Deputy Chief Psychiatrist.
